Dear Managers:

Included with this cover letter is a registration form for the 2007 ASA Region 14 Nor Cal Women's Fast Pitch Travel League and league budget. Please be advised that this form and associated league entry fees are due to me by **May 22, 2007**. This deadline is for any teams interested in playing in the league. All fields have been finalized for this coming year.

On or before June 2<sup>nd</sup>, I will be mailing (and emailing) each team a league schedule, team roster, maps and league rules. No playing rule changes are planned for the 2007 season. As always, rosters are due prior to your first game (they are to be turned in to me at the fields) and the rosters will be available every weekend to add players throughout the season. There is no maximum on the number of players you can have on your roster.

The great experiment last year of permitting teams to sign up for single days or weekends did not increase our participation, save an extra team on our opening weekend. Therefore, I'm not offering it as an option. However, if a team is interested in participating on any single day or selective weekends, please contact me so I can see what we can do to accommodate your team.

As in the past, umpire fees will be due to umpires prior to the start of each game. Fees may vary by site, be prepared to pay \$30 to \$40 per game. I should be able to notify you the week of league games, the exact umpire fee, as I did last year. Players may play on any league team, as long as they have signed an official league roster. No protests are allowed, game schedules may be altered by teams, as long as all affected teams agree to the change. Teams may place up to 12 players in their batting order, any 9 of the 12 can play defense. All other ASA substitution and re-entry rules are in effect for batters in the lineup.

Thank you for your interest in our 2007 league. I'm looking forward to another fun and exciting season. Please contact me at the numbers or email address above if you have any questions or problems. I look forward to seeing you on the field on June 9<sup>th</sup>.

Sincerely,

Floyd Lewis
