

TO: Amateur Softball Association Teams™
FROM: Mike Blondino, Nor-Cal ASA Commissioner
DATE: November 30, 2011
SUBJECT: Bollinger J.O. Team & Individual Insurance Renewal for the 2012 Season

The Northern California Amateur Softball Association is the 5th Largest Association in the nation and is committed to the goal of the National Governing Body for the sport of softball, ASA/USA Softball of providing accident and liability insurance for all participants in the Junior Olympic (youth) program.

The only way this can be accomplished is to individually register each participant in the program. That includes players, managers, coaches, assistant coaches and scorekeepers. Many other National Governing Bodies (AYSO, CYSA, YBAA, and USH), individually register their participants, mainly for the insurance benefits individual registration provides. Therefore, to ensure that our youth players receive the insurance protection they need, Nor-Cal ASA Softball will continue converting to individual registration with our Junior Olympic Softball Program in 2012.

When can I register my ASA Team for the 2012 Season?

If you are a Recreation League or an “A” Traveling Team you can begin to individually register your players beginning December 5, 2011. Now, if you are a “B” or “C” Traveling Team you can begin to individually register your players beginning Tuesday, May 1, 2012.

First, who are required to individually register in 2012? All “Junior Olympic A, B & C Traveling Teams” and Recreation Leagues/Associations that participate in ASA

Please find that it is MANDATORY for you to register through the Individual Registration Process for the 2012 Season using www.registerasa.com

Third, what is the cost of individual registration? The fees for each player, coach, or manager are \$12.00 with the \$250 deductible, or \$23.00 with the \$0 deductible. When you individually register each team member, who includes the players, managers and coaches at the deductible of your choice you pay NO team registration fee.

Fourth, how do I register my team members for the individual insurance program? We are directing you to visit the ASA Registration Website at www.registerasa.com. Here you will follow their instructions on how to obtain a password and to proceed on registering your players/manager/coaches on the website. If you are a Recreational League with 200 players or more you can submit an Excel Spreadsheet to ASA Registration to be uploaded into their system. There will be an excel spreadsheet to download to use. [Phone number, email and driver’s license number only required for adults]

Once you have completed your input and create an invoice you will need to submit the invoice along with payment payable to NOR CAL ASA. Once Nor Cal ASA receives your payment and information we will then go online at Register ASA to review and approve your request. The ASA National Office will issue your cards.

Please contact the Nor-Cal office at (916) 962-1631 to request the information required for individual registration. Please contact our Office Manager Sandy Scott if you have any questions email sscott@norcalasa.org.

Still MANDATORY for the 2012 Season each player must have a Photo Identification Card for Championship Play (Hall of Fame Qualifier, National Qualifier, Nor Cal Championships and beyond). Photo I.D.
