

MEMORANDUM

Date: October 29, 2009

To: Managers, Coaches and League Presidents

From: Sandy Scott, Office Manager
Mike Blondino, Commissioner
Manuel Gomez, JO Commissioner

Subject: Individual Registration Process

Nor Cal ASA would like to make you aware of a change to the Individual Registration Process which will be effective as of November 1, 2009. This change has come from the ASA National Office.

The ASA National Office has dissolved their partnership with RegisterASA (VTD) which will be effective November 1, 2009. The ASA National Office has developed an Individual Registration Program where you will continue to individually register your players/coaches/manager, plus you will be able to request a background check for each coach/manager along where coaches will be able to process their ACE Certifications. This in a sense will make it "one stop shopping" and one of the benefits we see is that coaches/managers will have one card showing they are ASA registered, background checked and ACE certified.

We have been guaranteed that all of the current data on RegisterASA will be transferred to the new system.

Mike, Manuel and I will be attending the ASA National Council Meeting from November 6 – 12 where we will be learning about this new system. Please be patient as we find out more. We will be posting instruction on how to use the system on our website and links, as we have done in the past with RegisterASA, as soon as we can.

If you have any questions, please do not hesitate to contact any one of us.
