TEAM RECLASSIFICATION & B/C ALL-STARS

Nor Cal ASA strives to create and maintain a level playing field for this program.

All should agree that it's no fun to lose 20-2 or beat up on a team 20-2.

Any team wishing to re-class to "C" for the 2009 summer season must play in two tournaments, fill out petition form completely to appeal. All must be completed, approved, appealed (if necessary), 15 days prior to "B" Championships, or team will remain "B" for entire summer all-star season.

Starting in 2010.....1st and 2nd place team from previous year's "C" Championships will be re-classed to "B" for the summer season for their 1st two tournaments. They can petition and appeal to be re-classed to "C". See below
